A **First Team All-American** Once the scores have been calculated, First Team All-Americans are selected. The top 35 football players and 35 cheerleaders per grade (plus ties) are selected as National First Team All-Americans.

**Second Team All-American** Second Team All-Americans are then determined by Pop Warner based upon the number of applications that were submitted for that year.

Special Recognition for **All-American Senior Scholars**:

An All-American Senior Scholar is a First Team recipient in grades 8 and above. They are the only All-Americans who are eligible for scholarships received from the National Levels.

**Honorable Mention All-American Scholar**:

Applicants who are not selected as 2nd Team All-Americans are named Honorable Mention Scholars in recognition of qualifying for this prestigious academic achievement.
